

# Areas of Work of Our Organization

- 1 To create awareness about education and make efforts to achieve 100% education in society.
- 2 To guide children in the right direction through education.
- 3 To help children get their rights through education and ensure they benefit from educational campaigns run by the government.
- 4 To motivate children who do not go to school, or whose parents cannot send them to school, to attend school.
- 5 To provide free education to those who cannot attend school, such as people living in slums and underprivileged settlements.
- 6 To provide free education to illiterate elderly people.
- 7 To create as many employment opportunities as possible.
- 8 To provide skill development and other training programs to help people learn how to create employment.
- 9 To provide assistance to poor children who are preparing for government jobs.
- 10 To provide free books for children for their education.
- 11 To arrange playgrounds, fitness equipment, and coaches for children's physical fitness and sports activities.
- 12 To help children and common people benefit from government schemes and provide information about these schemes.
- 13 To make efforts to reduce poverty in society.
- 14 To ensure that no one dies of hunger due to poverty by arranging food for the needy.
- 15 To arrange food and water for animals and birds.
- 16 To work for environmental improvement.
- 17 To plant trees, protect them, and raise a voice against companies that pollute the environment.
- 18 To create awareness about environmental protection and the harm caused by environmental damage.
- 19 To help people during disasters such as floods, heavy rainfall, droughts, and earthquakes by running relief campaigns.
- 20 To assist people during epidemics such as coronavirus and leprosy in coordination with the government.
- 21 To organize marriages for poor girls and encourage society not to take dowry.
- 22 To run schemes and provide assistance for widowed women.
- 23 To provide free housing to poor people who do not have homes through government schemes and the organization.

Our organization also runs various welfare programs for society from time to time using funds received through government support and public contributions. We have been serving society since 2018. Currently, we are running a TenPoint Mission across India and working on several of the above programs. Issued by – Director Copy – This notice is to be displayed on the organization's website and notice board.
